Of note:

4 school age children spent about 2 hours on the computers finishing their state projects. They kept staff busy with question on printing out maps, state flowers, birds and flags.

Teen meeting had 6 participants. With the help of Gail Stovall from the West Sacramento branch we explored many different types of rockets. Puff rockets, stomp rockets, water rockets and simple fuel rockets were made and launched. The favorite was the water rocket, It was also Josh's birthday so we had cake as well as pizza.
