November programs:

- *Teen Takeover on Thursday November 19/
- *Story time the first and third Thursday of the month
- *Tuleyome Quirky Quercus program November 12.
- *Beading and creating pine nut beads November 29.

Of note:

The star party was a huge success. The press release was in three papers and we had 85 attendees. Dr. Matt Richter from UC Davis department of physics, gave a talk on Astronomy for a Boeing 747 and the Astronomy club at UC Davis had several telescopes that the public could. We held the event outside using a white sheet and our projector.
