Personnel Updates

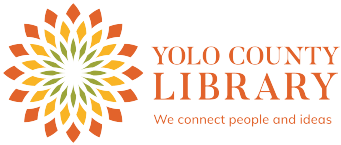

Maria Sandoval will be transitioning to a new, full-time Library Associate position at the Mary L. Stephens Davis Branch Library. This transfer will allow her to oversee volunteers and the Library Pages in Davis and continue to work in programming and outreach at the Davis Migrant Center and with other Spanish-speaking communities.

We have started the recruitment process to hire a new Library Associate to oversee the Knights Landing Branch. Meanwhile, Maria will remain in Knights Landing until a replacement has been hired.

Miguel Perez will be joining our team as a full-time Library Assistant I at the Mary L. Stephens Davis Branch Library. Miguel's work will include offering story times, assisting customers at the branch, and participating in community outreach efforts in Davis and the rural regions of Yolo County.

Miguel has extensive outreach and public service experience in Yolo County, and is proficient in communicating with local residents in English and Spanish. Over the last twenty years, Miguel has been employed as a landscaper, a Community Health Leader for the Health Education Council, Community Resource Specialist for Yolo County Children's Alliance, and a Public Assistance Specialist for Yolo County's Health and Human Services Agency. Miguel's first day with Yolo County Library will be October 1, 2018.

After an extensive search and a grueling interview process, which included stakeholders from Yolo Arts, the Yolo County Historical Museum, and the Friends of the Yolo County Archives, **Iulia Bodeanu** has been hired as our new full-time Museum Curator. This is a new two-year, limited-term position funded by Yolo County.

In this role, Iulia will engage in the review and deaccession of the County's historical collection, oversee the proper preservation and storage of the collection, generate awareness about the collection through countywide promotional efforts, design displays and exhibits in various county locations, and coordinate volunteer efforts to assist with these efforts.

Iulia has worked for Yolo County in various capacities since July 2016. She has museum-related experience working for the Pence Gallery in Davis, Verge Center for the Arts in Sacramento, former Heidrick Agriculture History Center in Woodland, and Sonoma County Museum. Iulia's first day will be October 14, 2018.
